HOLIDAY DONATION

This year on behalf of our clients we will be donating 5,000 meals to the Food Bank for New York City. Food Bank For New York City has been working to end food poverty in the five boroughs for over 36 years. As the city's largest hunger-relief organization, they employ a multifaceted approach centered on helping low-income New Yorkers overcome their circumstances and achieve greater independence.

Food Bank provides both the education and nutritious options needed by charities and schools that serve New York City's most vulnerable. With 1 out of 6 children in NYC relying on soup kitchens and pantries for dinner, it's imperative that comprehensive services be provided, ensuring health and wellness from the cradle through college and beyond.

We understand that during this extraordinary time organizations like the Foodbank for NYC need more assistance than ever. If you would like to learn more, please visit their website [here](#).
